Subject: Request for Room/Lab Allocation for WAGC Club Activities

Respected Sir,

I hope this message finds you well.

I am writing on behalf of **WAGC** (Web and App Development Club) to formally request the allocation of a **room/lab** for our **club activities**. Our primary objective is to use this space for teaching purposes and to conduct learning sessions with junior students, helping them develop technical skills and practical knowledge.

Having a dedicated space will allow us to organize structured sessions, workshops, and collaborative **learning** activities more effectively. We assure you that the allocated room will be used responsibly and maintained with proper discipline at all times.

We kindly request that the room/lab be allotted to us **after academic hours** on regular **working days**, as well as on **holidays**, so that it does not interfere with regular academic activities.

We would be grateful for your support in facilitating this request

Thank you for your time and consideration.

Yours sincerely,
Omkar More
Vice President WAGC
